## MEMORANDUM FOR THE RECORD

DATE

SUBJECT

FILE NUMBER

3 December 1980:

Received call from OPPPM [redacted]. President

signed new Executive Order 12253, CIA Retirement and

Disability System, 25 November 1980. Put [redacted]

on HOLD until we hear from OPPPM if any changes will

have to be made to the proposed revision.

29 December 1980:

OPPPM/Retirement Branch came down to see where

[redacted] stood. When she saw that OPPPM [redacted]

put on hold, she asked if RCD could remove the hold

and get published right away. OPPPM needs to inform

Congress when regs have been changed to conform with

new Executive orders. OPPPM has to send Congress a

published version of the regulation. So per attached

note (from Ruth and also copy of Weekly Report item)

OPPPM [redacted] Deputy Director for Policy and

Evaluations) removed the hold and asked that RCD print

as soon as possible. OPPPM will then submit another

revision proposal based on the new Executive Order

12253 in the near future.

Weekly Report

FILE NUMBER

As follow-up to item reported in RCD's weekly report (27 Nov-3 Dec 1980):

OPPPM [ ] Deputy Director for Policy and Evaluations)

removed the hold on [ ] (CIA Retirement and Disability System)  
and asked that it be published as soon as possible.

OPPPM needs to inform Congress when regulations have been changed  
to conform with new Executive orders. The present revision to

[ ] included changes that were made by Executive Order 12197;  
this revision was approved by all coordinators and ready for approval  
when put on hold because of a new Executive Order 12253 that caused  
some more changes. OPPPM has decided to get [ ] published (taking  
into account EO 12197 ONLY). When informing Congress, OPPPM also has  
to send along a published version of the regulation (thus the reason  
for expediency).

OPPPM will then submit another revision proposal based on the new  
Executive Order 12253 in the near future.
